## 310.2 Technique Definitions

### 310.2.1 Classical Technique

310.2.1.1 Classical technique includes the diagonal techniques, the double poling techniques, herringbone techniques without a gliding phase, downhill techniques and turning techniques.

310.2.1.2 Single or double-skating is not allowed.

310.2.1.3 Turning techniques comprise steps and pushes in order to change directions. Where there is a set track, turning techniques with pushing are not allowed. This will also apply to competitors skiing outside of the set track.

343.11 In sections with marked corridors, the competitors must choose and ski within the chosen corridor. A competitor is allowed change corridors as long as the ICR 343.9 is upheld (except in start corridors where competitors are not allowed to change).
